

CS30 - Chainsaw Maintenance & Cross Cutting Course

Course Description

Suitable for the novice operator who wishes to maintain and operate chainsaws for crosscutting only. This two day training course prepares the trainee to take the City and Guilds NPTC independent assessment unit CS30.

Content

- State and identify the necessary clothing required and locate the various standard marks
- Identify safety features on a chainsaw
- Maintain the guide bar and sharpen chains to manufacturers specifications
- Carry out correctly all routine maintenance
- Prepare the chainsaw for use with the correct fuel and oil mix and chain lubrication
- Start the chainsaw from both cold and hot in a safe manner
- Cross cut timber accurately to required lengths in a safe manner and organise site safety

Venue

Park Hill Training & Assessment Centre, LE12 7NG, see map or About Us page or at your place if work if numbers and resources allow. There are a variety of hotels, farmhouse B & B's or a Travelodge all within easy reach of our centre, please contact us if you require further details.
