

First Aid at Work - Three Day Course

Course Description

Lantra Awards training course designed for anyone involved in a land-based industry who has not attended a first aid course run by a recognised organisation during the last three years. Under H & S rules First Aid at Work Certificates are valid for 3 years and re-testing (2 Day Course) must be done before the old certificate runs out. If a certificate has run out it will be necessary for the holder to attend a full First Aid at Work Course.

Content

At the end of the course participants will be able to:

- Assess situations and carry out appropriate action including informing emergency services
- Carry out artificial ventilations and chest compressions
- Place a casualty in the recovery position and know when to use this position
- Know when and how to use the spinal recovery position
- Clear obstructed airways
- Control severe bleeding
- Recognise and treat shock
- Deal with chemical contamination
- Understand the requirements for a first aid kit and how to report accidents in the workplace
- Recognise and treat head injuries
- Recognise and treat major illnesses
- Deal with burns and scalds
- Deal with poisons
- Recognise and treat strains, sprains, dislocations, and fractures
- Know how to move casualties safely
- Recognise and treat other miscellaneous conditions
- All the above in a safe and approved manner, with no risk to self or third party

The Forestry Commission +F technical award and/or the use of AED (automated external defibrillators) can be added into the training at an extra cost.
