

Chainsaw Maintenance & Cross Cutting

This course prepares the trainee to take the City and Guilds practical assessment.

Two Day Training with assessment to follow on a separate day, when completed alongside Felling Trees up to 380mm we will endeavour to organise all assessments on the same day.
09.00 – 16.30 approx.

The course covers...

- State and identify the necessary clothing required and locate the various standard marks
- Identify safety features on a chainsaw
- Maintain the guide bar and sharpen chains to manufacturers specifications
- Carry out correctly all routine maintenance
- Prepare the chainsaw for use with the correct fuel and oil mix and chain lubrication
- Start the chainsaw from both cold and hot in a safe manner
- Cross cut timber accurately to required lengths in a safe manner and organise site safety

Venue

At your place of work or Park Hill Training & Assessment Centre, LE12 7NG.

There are a variety of hotels and farmhouse B & B's all within easy reach of our centre.

Map and Accommodation list can be found on our website's [Contact Us](#) page

Equipment

For Park Hill Training courses minimal requirement is chainsaw boots, trousers, helmet and suitable gloves, spec on next page

Send a passport type photo via email in order to receive a Skills ID Card after successful completion of the assessment.

Course requirements are listed on the next page for courses taken on your site.

Pre- Requisites

This is the pre-requisite to all the other chainsaw courses, except Climb Trees and Perform Aerial Rescue.

Please be aware that our chainsaw courses require candidates to be physically fit and free from medication, or conditions that could affect your safety. We may conduct a small assessment of your abilities before undertaking this training.
