

Health and Safety and Environmental Awareness (Fencing and Level 1 in Construction)

Fencing: This course is for you if you are employed in the fencing industry and are looking to maintain your Fencing Industry Skills Scheme/Construction Skills Certification Scheme (FISS/CSCS) card.

Level 1 (Construction): This course is for you if you are looking to join, are employed or wishing to progress in the construction and fencing industries.

If you would like to know how to get a FISS/CSCS card please check online at the [Association of Fencing Industries](#).

One Day Training, both courses can be run alongside each other and the Level 1 in Construction has an exam following the training.

08.30 – 16.00 approx.

The course covers...

- Law, Regulation and the Health and Safety Executive
- Risks, Prevention and Control
- Accidents, Ill-Health and Near Misses - Cause and Consequence
- Welfare and First Aid
- Personal Protective Equipment (PPE)
- Manual Handling Operations
- Signage
- Fire
- Electricity
- Provision and Use of Work Equipment
- Working in Specific/Specialised Working Environments
- Environmental Awareness
- Theory Assessment - for Fencing trainees only (not Construction)
