

Felling up to 380mm REFRESHER

This course is for trainees who have already achieved Chainsaw Maintenance and Cross Cutting & Felling Trees up to 380mm. Refresher training is advised every 3 years – 5 years depending on your chainsaw use.

Two Day Training

09.00 – 16.30 approx.

The course recaps...

- Correctly assess the situation prior to free felling a straight open grown tree up to a maximum of 380mm diameter, and with the aid of wedges and/or felling lever, fell it in a chosen direction
- Remove limbs from felled trees and cross cut, handle and stack timber in a safe and efficient manner
- Identify types of timber, potential hazards and stresses, correctly assess if timber is in compression or tension, and select the appropriate technique to deal with the particular situation
- Take down hung up trees using hand tools
- Recognise situations where specialist help is required

Venue

At your place of work or Park Hill Training & Assessment Centre, LE12 7NG.

There are a variety of hotels and farmhouse B & B's all within easy reach of our centre.

Map and Accommodation list can be found on our website's [Contact Us](#) page

Equipment

For Park Hill Training courses minimal requirement is chainsaw in good safe working order, chainsaw boots, trousers, helmet and suitable gloves, spec on next page.

Trainees will also require their own transport, PHT staff are unable to taxi trainees to site.

Send a passport type photo via email in order to receive a Skills ID Card after successful completion of the training.

Course requirements are listed on the next page for courses taken on your site.

Pre- Requisites

Chainsaw Maintenance and Cross Cutting
Felling & Processing Trees up to 380mm.

Please be aware that our chainsaw courses require candidates to be physically fit and free from medication, or conditions that could affect your safety. We may conduct a small assessment of your abilities before undertaking this training.
