

# Safe Use of Granular & Slug Pellet Application

This course prepares the trainee to take the City and Guilds practical assessment, which combined with the Safe Use of Pesticides unit qualifies the operator in the legislative qualification.

One Day Training with assessment to follow on a separate day, when completed alongside other pesticide unit/s we will endeavour to organise all assessments on the same day.

09.00 – 16.30 approx.

The course covers...

- Legislation
- Label information
- Preparation of applicator for use
- Calibration
- Site work
- Environmental risk assessment
- Filling the applicator
- Cleaning and decontamination of the applicator
- Maintenance and storage
- Pesticide application records

## Venue

At your place of work or Park Hill Training & Assessment Centre, LE12 7NG.

There are a variety of hotels and farmhouse B & B's all within easy reach of our centre.

Map and Accommodation list can be found on our Contact Us page [here](#)
