

Safe Use of Pesticide Plugs

This course prepares the trainee to take the City and Guilds practical assessment, which combined with the Safe Use of Pesticides unit qualifies the operator in the legislative qualification.

Half Day Training with assessment to follow on in the afternoon; if time permits.
09.00 – 12.30 approx.

When this unit is completed alongside other pesticide units we will endeavour to organise all assessments for the same day.

The course covers...

- Legislation
- What is the Ecoplug?
- Environmental safety
- Environmental Risk Assessment
- Label information
- Preparation of equipment
- Calibration
- Storage, Transportation and Application
- Application Record
- Cleaning and decontamination of the applicator

Venue

At your place of work or Park Hill Training & Assessment Centre, LE12 7NG.

There are a variety of hotels and farmhouse B & B's all within easy reach of our centre.

Map and Accommodation list can be found on our website's [Contact Us](#) page

Equipment

For Park Hill Training courses please bring wellington boots, protective overalls e.g. DuPont Tyvek type 4/5 or 5/6 & suitable outdoor clothing.

Send a passport type photo via email in order to receive a Skills ID Card after successful completion of the assessment.

Course requirements are listed on the next page for courses taken on your site.

Pre- Requisites

Safe Use of Pesticides
